## 2022 PTIE Conference Abstract

**Title:** NSFs I-Corps: Aligning Incentives & Entrepreneurship in Academia

**Authors:** Rebecca Shearman, Detric Carter, Pamela McCauley, Karl Mundorff

**Institution:** National Science Foundation, Washington University – St. Louis, North Carolina State University, Oregon State University

**Address:** NSF, 2415 Eisenhower Avenue, Alexandria, Virginia 22314

**Corresponding Author contact information:** [rshearma@nsf.gov](mailto:rshearma@nsf.gov)

**Abstract:** This panel discussion will be led by Rebecca Shearman, Program Manager, NSF Technology, Innovation and Partnership Directorate, Regional Innovation Engines program. The panel discussed how aligning P&T incentives could affect our universities and participation in the NSF I-Corps program, unleashing sustained innovation addressing significant societal challenges.
